

# Opportunity in Family Practice or Internal Medicine

Hello,

*I'd like to introduce you to our facility and to make you aware of an opportunity. We are looking for a physician to join our top notch medical staff providing in-patient, out-patient, and emergency care.*

*Bridges Medical Center has a beautiful campus and a state-of-the-art facility that was opened in 2000. We are a progressive facility with cutting edge technology. Bridges has an experienced staff. Many of our employees have been with us five, ten, and even twenty years. Our current medical staff consists of two physicians and two physician assistants. We also have ten consulting specialists visiting on a regular basis.*

*We offer a competitive and flexible salary and benefit package. Bridges has a friendly, supportive work environment. Our on-call rotation averages one night per week and one weekend per month.*

*Our community provides an outstanding quality of life and low cost of living. Ada is a great place to live.*

*I invite you to come for a visit and to give us a chance to show you around. You won't be disappointed. If you are not interested in this opportunity, Bridges is offering a \$5,000 recruitment bonus for anyone who refers a physician who is offered and accepts a contract.*

*Jeff Peterson MD*
